

STAT

December 16, 1970

Attention: Mj. Hayden P.

Dear Sir:

STAT The following two figures were omitted from our unsolicited proposal, "Manipulation, Specification and Measurement of Polychromatic Signals, [redacted] P-70-16":

Figure 5.13 - Automatic Vertical Positioner
for Filter, page 5-35, three copies.

Figure 5.14 - Microscope Image Manipulator
page 5-36, three copies.

I have also enclosed three copies of revised page v,
List of Illustrations, to be inserted in the proposal.

Sincerely,

[redacted signature box]

Secretary to [redacted box]
